 3. ~~Milestone 3 [event & date/days]~~

4.03 *Liquidated Damages*

- A. ~~Contractor and Owner recognize that time is of the essence as stated in Paragraph 4.01 above and that Owner will suffer financial and other losses if the Work is not completed and Milestones not achieved within the times specified in Paragraph 4.02 above, plus any extensions thereof allowed in accordance with the Contract. The parties also recognize the delays, expense, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by Owner if the Work is not completed on time. Accordingly, instead of requiring any such proof, Owner and Contractor agree that as liquidated damages for delay (but not as a penalty):~~

The maximum value of the bonus shall be limited to \$_____.~~

Contractor and Owner recognize that time is of the essence as stated in Paragraph 4.01 above and that Owner will suffer financial and other losses if the Work is not completed within the times specified in Paragraph 4.02 above, plus any extensions thereof allowed in accordance with the Contract. In the event Contractor fails, without reasonable cause, to complete the Work within the times specified in Paragraph 4.02 above, the parties explicitly recognize that Owner may seek to recover from Contractor, in a court of competent jurisdiction, actual damages (including but not limited to consequential and other damages) suffered by Owner due to said failure.

4.04 *Special Damages*

- A. ~~In addition to the amount provided for liquidated damages, Contractor shall reimburse Owner (1) for any fines or penalties imposed on Owner as a direct result of the Contractor's failure to attain Substantial Completion according to the Contract Times, and (2) for the actual costs reasonably incurred by Owner for engineering, construction observation, inspection, and administrative services needed after the time specified in Paragraph 4.02 for Substantial Completion (as duly adjusted pursuant to the Contract), until the Work is substantially complete.~~

Unit Price Work					
Item No.	Description	Unit	Estimated Quantity	Unit Price	Extended Price
Total of all Extended Prices for Unit Price Work (subject to final adjustment based on actual quantities)					\$

~~The extended prices for Unit Price Work set forth as of the Effective Date of the Contract are based on estimated quantities. As provided in Paragraph 13.03 of the General Conditions, estimated quantities are not guaranteed, and determinations of actual quantities and classifications are to be made by Engineer.~~

- C. ~~Total of Lump Sum Amount and Unit Price Work (subject to final Unit Price adjustment)~~

After 50 percent completion of the Work, and until final completion and acceptance of the Work by Owner, the Owner may, in its sole discretion, reduce to 5 percent the amount of retainage withheld from each subsequent progress payment made to the Contractor. Five percent of the Contract Price will be retained until final completion, acceptance of the Work by the Owner, and final payment to the Contractor.

2. ~~Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated below but, in each case, less the aggregate of payments previously made and less such amounts as Owner may withhold, including but not limited to liquidated damages, in accordance with the Contract~~

- a. ~~_____ percent of Work completed (with the balance being retainage). If the Work has been 50 percent completed as determined by Engineer, and if the character and progress of the Work have been satisfactory to Owner and Engineer, then as long as the character and progress of the Work remain satisfactory to Owner and Engineer, there will be no additional retainage; and~~

- A. ~~Upon final completion and acceptance of the Work in accordance with Paragraph 15.06 of the General Conditions, Owner shall pay the remainder of the Contract Price as~~

~~recommended by Engineer as provided in said Paragraph 15.06. Upon final completion and acceptance of the Work in accordance with paragraph 15.06.B of the General Conditions and subject to final acceptance by Hillsborough County, and/or other governmental entities, as applicable, Owner shall pay the remainder of the Contract Price as recommended by Engineer as provided in said paragraph 15.06.B.~~
